OH	OH - COVID	Bulletin 2020-08	Proctor not required as of 11/14/2019	4/15/2020 - Approved PLEASE NOTE - The Superintendent will not issue a temporary license if the individual has previously failed an Ohio insurance licensing examination or been denied a major line resident agent license by the State of Ohio due to the results of a criminal records check in a prior application.	1. Must complete Prelicensing Education 2. An individual must first submit a major line resident agent license application using the NIPR website at www.nipr.com and pay the appropriate fee upon submission. 3. After receiving confirmation of the submission of the application from NIPR, the applicant must submit a written request for a temporary license to the Ohio Department of Insurance by email at licensing@insurance.ohio.gov . 4. The written request must include the transaction number and the National Producer Number received from NIPR. 5. The applicant shall also ensure that his/her sponsor has submitted a completed "Insurer Sponsor Agreement" to the Ohio Department of Insurance by email at licensing@insurance.ohio.gov	08/10/2020 - CERTIFICATE UPDATE The department understands that the reduced capacity at the examination centers has impeded the ability to obtain an initial insurance license in Ohio. As a result, any person whose pre-license education course completion date noted on their certificate(s) are between September 17, 2019 to March 5, 2020 have until August 31, 2020 to use their expired course completion certificate(s) to take the appropriate Ohio insurance examination(s). These course completion certificates would normally expire or will expire between March 14, 2020 thru August 31, 2020. This will allow a student to sit for an examination past the 180-day expiration of the certificate due to the current COVID-19 situation. Pre-license education course completion certificate expired or will expire between March 14, 2020 thru June 29, 2020, have until June 30, 2020 to use the expired completion certificate(s) to take the appropriate Ohio insurance examination(s). This will allow a student to sit for an examination past the 180-day expiration of the certificate.	Majority of Ohio's test centers are open and continue to offer insurance licensing examinations during the emergency while following the CDC's recommendations on social distancing. The use of tools such as Skype, Microsoft Teams, Zoom, and other similar products will be allowed for remote proctoring. If not utilizing a software option that allows for remote control of the students screen, we are ok if the student enters all information with the ok of the proctor.	EFFECTIVE AUGUST 31, 2020 - All temporary licenses issued pursuant to Bulletin No. 20-06 shall expire and be null and void at midnight 03/17/2020 - APPROVED There are certain requirements applicants must meet to qualify. Below is a summary of the qualifications. In regards to Temporary/Provisional License A temporary/provisional license does apply to all lines of insurance authority for resident producers impacted by the inability to test or be fingerprinted. There is information we are asking applicants to complete as we are reviewing temporary applications on a case by case basis in this time of emergency. Please note renewals and non-resident applications are not impacted by this as fingerprinting and examinations is not required for renewals and non-residents. Please refer to the state DOI website for further guidelines and information.		YES - Due to the Covid-19 emergency all pre-licensing certificates have been extended from the standard four months to six months until further notice. Pre-licensing will be valid from six months from the date of completion on the certificate.
